**A Return to Minnesota:** The Wild were founded in 2000, bringing NHL hockey back to Minnesota after the Minnesota North Stars relocated to Dallas in 1993. The state, known as the "State of Hockey," has a deep passion for the sport, and they quickly garnered a loyal fanbase.

**The Wild's Green and Red Jerseys:** The Wild's green and red color scheme reflects Minnesota's natural beauty, with the primary logo featuring a bear head that doubles as a landscape with trees, a river, and a setting sun.
