Newest NHL Franchise: The Seattle Kraken became the NHL's 32nd team in 2021, marking the league's return to the Pacific Northwest. Their arrival ended a nearly 100-year drought of professional hockey in Seattle since the Metropolitans folded in 1924.

Climate Pledge Arena: The Kraken play at Climate Pledge Arena, which was renovated from the iconic Seattle Center Arena. It is the first net-zero carbon arena in the world, reflecting the city's commitment to environmental sustainability.
