**The First American NHL Team:** Founded in 1924, the Bruins were the first American team in the NHL. They are one of the Original Six teams, helping to shape the league's history and traditions.

**The 2022-23 Historic Season:** The Bruins set an NHL record for most wins (65) and points (135) in a single regular season during the 2022-23 campaign, but they were eliminated in a stunning first-round upset by the Florida Panthers in the playoffs.
