From Hartford to Raleigh: The Hurricanes were originally the Hartford Whalers before relocating to Raleigh, North Carolina, in 1997. The team's move to the Southern United States was met with skepticism at first, but they quickly developed a passionate fanbase.

Mascot - Stormy the Ice Hog: Stormy, the team's mascot, is a lovable pig who represents the agricultural heritage of North Carolina. Introduced in 1997, Stormy is a fan favorite at games and in the community.
