BLUE JACKETS

Founded in 2000: The Blue Jackets joined the NHL as an expansion team in 2000, bringing professional hockey to Columbus, Ohio. The team's name and logo are inspired by Ohio's history in the American Civil War, with the "Blue Jackets" referring to the Union Army soldiers.

The Cannon Celebration: One of the most distinctive features of Blue Jackets home games is the cannon that is fired after every goal. The sound of the cannon has become synonymous with the team and adds to the atmosphere at Nationwide Arena.
