The Original Senators: The Ottawa Senators' original franchise was founded in 1885 and won 11 Stanley Cups before folding in 1954. The current franchise was established in 1992, bringing hockey back to Canada's capital city after nearly 60 years.

The Battle of Ontario: The Senators' rivalry with the Toronto Maple Leafs, known as the "Battle of Ontario," is one of the fiercest in the NHL. The teams have met multiple times in the playoffs, and games between them are always highly anticipated.
