First NBA Championship (2023): The Nuggets won their first-ever NBA championship in 2025, led by two-time MVP Nikola Jokic, defeating the Miami Heat in the Finals.

Nikola Jokic's Dominance: Jokic, one of the most skilled big men in NBA history, has redefined the center position with his passing, scoring, and basketball IQ, becoming the face of the franchise.

Nuggets' ABA Roots: The Nuggets were originally part of the ABA, known as the Denver Rockets before joining the NBA in 1976 after the ABA-NBA merger.

The Pepsi Center (Ball Arena): The Nuggets play at Ball Arena, known for its passionate fanbase and high-altitude advantage, making it one of the toughest places for visiting teams.
