Team Inception: The Vancouver Canucks joined the NHL as an expansion team in 1970, making them one of the oldest teams in the league without a Stanley Cup championship.

The Sedin Twins Legacy: Henrik and Daniel Sedin, twins from Sweden, played together for the Canucks from 2000 to 2018. They are regarded as two of the greatest players in the team's history and were both inducted into the Hockey Hall of Fame. They current work as special advisors to the general manager for the franchise.
